

BOW WOW BUNGALOW

THREE STRIKE POLICY

At Bow Wow Bungalow, we welcome between 75-100+ dogs a day. The pups play in groups, split across our three spacious indoor & outdoor yards.

At a facility this large, our safety protocol is of the utmost importance. Before admittance, every dog completes a three hour meet & greet evaluation.

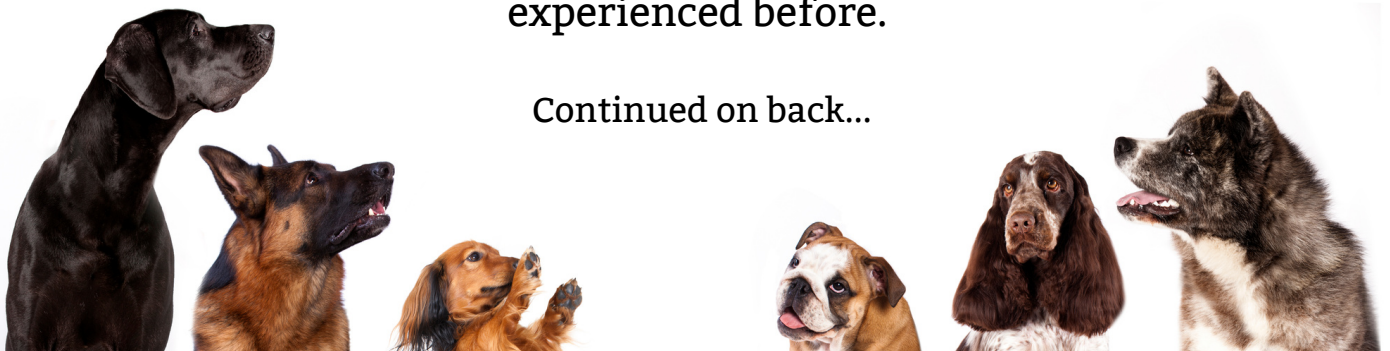

We always prioritize safeguarding your dogs. Our Three Strike Behavioral System ensures your dog's experience is Safe, Fair, & Fun!

Dogs can receive a strike for displaying repetitive unwanted behaviors while under our watch.

If your dog receives three strikes, they will no longer be allowed into the play yards.

It's important to keep in mind that your dog may behave differently in a large group of dogs. We may inform you of behaviors being displayed that you as an owner have never experienced before.
